Dear Jarnail Singh,

I am pleased to inform you that the following accreditation request for an additional agency branch location: TRADITIONAL BRANCH has been approved.

New Branch Listing:

ARC Number: 31 764611

Green Dot Travels LLC

OrgMyTrip.com

125 Newfield Ave. - Suite D

Edison, NJ 08837

Home Office ARC Number: **31 600634**

The location referenced above will have ARC number **31 764611**. The ARC number will become active on **Monday, July 4, 2022** and will be included on the Airlines Reporting Corporation (ARC) Agency List for airline distribution. In addition to our notification to airlines, ARC strongly recommends that you immediately notify your preferred travel suppliers about your ARC participation and ARC number. Please feel free to share a copy of this approval letter with your supplier partners as confirmation of your status within ARC. You may also direct your supplier partners to "ARC Check" at www.arccorp.com/arccheck for instant status of your participation with ARC.

Your first weekly sales period begins **Monday, July 4, 2022**, and ends on **Sunday, July 10, 2022**. Reporting for the transaction cycle is due every Tuesday by 11:59 p.m. Eastern Time. If your agency is in receipt of the ARC traffic documents or have been issued a range of e-ticket numbers prior to the initial transaction date, please withhold use until the Monday date.

Please note that the first draft facilitated by ARC for all related transactions will be presented to your bank on **Friday, July 15, 2022**. It should also be noted that there is a possibility that this location may not receive the ARC traffic documents with the approved ARC number by the time the first sales report is due. However, your agency should still authorize a "no sales" report via the Interactive Agent Reporting (IAR) tool. **Or, if your agency's zero sales report has not been authorized by 11:59 p.m. ET of the Tuesday sales report deadline, ARC will authorize your agency's zero sales report on your agency's behalf. This is applicable to zero sales reports only.**

As you are aware, ARC traffic documents are extremely valuable and are supplied to you in trust. In the event of a change in ownership, possession and use of ARC traffic documents by the new owner(s) is prohibited. Please reference your Agent Reporting Agreement (ARA) for additional details.

Friendly reminder: Please keep in mind that one location's tickets may not be issued by the home office, another branch or vice versa even if the supplies assigned to one are depleted. If any assistance is needed, please do not hesitate to call our Customer Care Center at 1.855.816.8003.

On behalf of our entire organization, welcome to ARC.

Sincerely,
Maria Victoria Domigpe
